PECAN

PECANS HAVE BEEN OUR PASSION FOR 44 YEARS!

This year marks our 44th year growing Pecans and what a year it's been! The challenges that all of us have faced with the Covid Pandemic, its effects on the economy and the vital 'supply chain' have been daunting to say the least! Here in Texas we also had the worst freeze we've had in decades to deal with! BUT, with the help of the Good Lord, we've weathered the challenges! The trees made it with little to no damage and we made it to yet another Pecan Harvest!

The Sorrells family has been blessed to own over 1,200 acres and 40,000 Pecan Trees in the heart of Comanche, Texas! Owner Kinley Sorrells and Delinda, Kinley's wife, along with our family have turned this fertile Texas farm into a real treasure, with dedicated hard work and prayer!

Our year begins with the Winter trimming and pruning! Grafting and vegetable planting are then a big part of our Spring, followed with our Vegetable harvest, irrigation and tree care, that round out the Summer months!

Finally, the big push of The Texas Pecan Harvest fills the Fall, closely followed by the glorious Holiday Season!

From the entire Sorrells family, we hope you enjoy browsing thru the pages of our Holiday selections! Order with our assurance of your complete satisfaction!

From all of us at Sorrells Farms, we wish you a very happy, blessed Holiday Season followed with a joyful New Year!

The Sorrells Family!

- THE SORRELLS FARMS GUARANTEE -

WE UNCONDITIONALLY GUARANTEE ALL OF OUR SELECTIONS TO ASSURE YOUR COMPLETE SATISFACTION! IF YOU'RE DISSATISFIED WITH ANY SELECTION WE'LL CHEERFULLY GIVE YOU A REPLACEMENT OR A REFUND!

HERE AT SORRELLS FARMS, TEXAS PECANS 'BROUGHT US TO THE DANCE'... BUT THAT BY NO MEANS IS ALL WE GROW!

Sorrells Farms is known far and wide for our Texas Pecans! As one of the largest Pecan Orchards in Texas, meticulous pruning, watering and maintaining our Pecan Trees requires much of our attention! However, we also grow a wide variety of Farm Fresh Fruits & Veggies including Peppers, Tomatoes, Cantaloupes, Watermelons, juicy, Texas Peaches & 1015 Sweet Onions for the commercial produce markets we serve!

After the harvest, when all the shipments have been made, we always look forward to making Peach Jam, baking Cobblers and Cookies to enjoy with homemade Ice Cream before the coming Fall Pecan Harvest is upon us!

We daily thank the good Lord for his blessing of our Fruits and Veggies, grown in this rich Texas farmland!
